RECOMMENDATION

It is recommended that the Board adopt and sign the attached resolution proclaiming the week of April 8 through April 14, 2012 "San Luis Obispo County National Public Safety Telecommunicators Week."

DISCUSSION

Each year, the second full week of April is dedicated to the men and women who serve as public safety telecommunicators. It was first conceived by Patricia Anderson of the Contra Costa County (California) Sheriff's Office in 1981 and was observed only at that agency for three years. Members of the Virginia and North Carolina chapters of the Association of Public-Safety Communicators Officials (APCO) became involved in the mid-1980s. By the early 1990s, the national APCO organization convinced Congress of the need for a formal proclamation. Rep. Edward J. Markey (D-Mass.) introduced what became House Joint Resolution 284 to create "National Public Safety Telecommunicators Week." According to Congressional procedure, it was introduced twice more in 1993 and 1994, and then became permanent, without the need for yearly introduction.

This year it is requested that your Board join the nation and many States, Counties and Cities in commemorating the second full week in April as "National Public Safety Telecommunicators Week." The public designation of this week helps to recognize and highlight the efforts and dedication of those highly trained and skilled individuals whom are often the first line in the chain of public safety.
